Fortnightly Fall Welcome Reception Bradford Farms Wednesday, September 26th 11:00 a.m.

As another academic year begins we hope you will join us at our annual welcome reception at University of Missouri's Bradford Farms. Directions are provided in the box below. It is a bit of drive so you may want to consider carpooling. The reception is always a special time to celebrate old friendships and make new ones.

Our Fortnightly board will provide tea sandwiches, fruits, and sweets to enjoy. You will be able to renew your membership, gather information, and sign up for one or more of our many interest groups. If you cannot make it to the Fall Reception, remember to fill out the membership form that is in the newsletter and drop it in the mail along with your dues.

We are excited to announce that we will have a fall-inspired recipe demonstration by Chef Artist Ali Ratcliffe Bauer. Chef Ali is a professional chef with 14 years of fine dining experience. She has lived in Chicago for the past 12 years, and has worked with amazing chefs. She led the kitchens of Michelin Star and James Beard, and in award winning restaurants Naha and Brindille. She has proudly had her dishes recognized by the Chicago Tribune, was honored to be included in Zagat 30 under 30, selected as one of Cheeky Chicago's Cheekiest Chicks, and twice nominated for Best Chef de Cuisine by the Jean Banchet Awards. Chef Ali is excited to return to her hometown of Columbia, Missouri!

Once our reception and recipe demonstration are complete, please plan to stay for a tour of Bradford Farms. You will not want to miss learning about this fascinating and innovative research center.

Greetings from Fortnightly President

Mary Burns

Welcome to the new year of Fortnightly! Whether you are a long-time member, new to Fortnightly, or considering joining us, our board and committee chairs have been working hard this summer planning another fantastic year for our historic MU social club.

We have many interest groups available; hiking, reading, playing tennis, high tea and genealogy are just a few of the options available to get involved, meet new people, or enjoy long time friendships.

Keeping with tradition our board is planning scholarship fundraisers that are both productive and social so that raising money will be enjoyable for all. Meeting our more-than-worthy Mizzou student recipients at our Spring Luncheon is one of the highlights of Fortnightly.

Wishing you all a fantastic end of August and I am looking forward to continuing the tradition of fun, friendship and scholarship in Fortnightly.

Warm regards,
Mary Burns

We were so proud to honor these milestone members at our Spring Luncheon last April.
